Application for Special Exceptions, Variances and Expansions, Exceptions, Permits, Replacement or Restoration of Non-Conforming Uses (referred to herein as "Exception")

To authorize upon appeal such Exception from the terms of the zoning ordinance as will not be contrary to the public interest when, owing to special conditions, a literal enforcement of the provisions of the zoning ordinance would result in unnecessary and undue hardship.

In order to authorize an Exception, an application must be submitted and a public hearing must be held which demonstrates to the satisfaction of the Board of Zoning Adjustment that the following six criteria, as contained in the Code of the Town of Sewall's Point, have been met:

- (1) That special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same zoning district;
- (2) That the special conditions and circumstances do not result from any action of the applicant;
- (3) That granting the variance requested will not confer on the applicant any special privilege that is denied by this chapter to other lands, buildings, or structures, in the same zoning district;
- (4) That literal interpretation of the provisions of the chapter would deprive the applicant of rights commonly enjoyed by other properties in the same zoning district under the terms of the chapter and would work unnecessary and undue hardship on the applicant;
- (5) That the variance granted is the minimum variance that will make possible the reasonable use of the land, building, or structure;
- (6) That the granting of the variance will be in harmony with the general intent and purpose of the chapter and that the variance will not be injurious to the area involved or otherwise detrimental to the public welfare;

VARIANCES

The Board of Zoning Adjustment may authorize the variance from the provisions of this chapter as will not be contrary to the public interest when, owing to special conditions, a literal enforcement of the provisions will result in unnecessary and undue hardship. In order to authorize any variance from the terms of this chapter, the Board of Zoning Adjustment will consider the variance criteria in **§ 2-101, 2-102, 2-107 and consider your responses to the following when making a determination.**

(1) Please explain special conditions and circumstances that exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same zoning district;

(2) Please explain if these conditions and circumstances result from actions by the applicant;

(3) Please explain how granting the variance requested will not confer on the applicant special privilege that is denied by this chapter to other lands, buildings, or structures, in the same zoning district;

(4) Please explain how a literal interpretation of the provisions of the chapter would deprive the applicant of rights commonly enjoyed by other properties in the same zoning district under the terms of the chapter and would work unnecessary and undue hardship on the applicant;

(5) Please illustrate and explain if the variance requested is the minimum variance that will make possible the reasonable use of the land, building, or structure;

(6) Please indicate how granting variance will be in harmony with the general intent and purpose of the chapter and that granting the variance will not be injurious to the area involved or otherwise detrimental to the public welfare;

All 6 question must be answered before application can be reviewed

In granting any Exception, the Board of Adjustment may prescribe appropriate conditions and safeguards in conformity with this ordinance. Violation of such conditions and safeguards, when made a part of the terms under which the Exception is granted, shall be begun or completed or both.

The Board of Adjustment may prescribe a reasonable time limit within which the action for which the Exception is required shall be begun or completed or both.

No non-conforming use of the neighboring lands, structures or buildings in the same district and no permitted use of lands, structures or buildings in other districts shall be considered for the issuance of a Exception. The Town shall post Notice of Public Hearing upon the Town Hall bulletin board and shall also see to the publication of the Notice of Hearing in a newspaper of general circulation printed in Martin County, Florida, at least fifteen (15) days prior to the date of the public hearing. All costs thereby incurred by the Town shall be reimbursed to the Town by the applicant prior to the Public Hearing. The Applicant shall post Notice of Public Hearing on the property for which the Exception is sought, and shall at the Applicant's expense, send written notice to property owners of record within 300 feet of the subject property, to be mailed by certified mail, return receipt requested, no later than fifteen (15) days PRIOR TO THE DATE OF THE HEARING.
